

# Graduation Regalia

for

## Phi Sigma Tau Members

The National Office of Phi Sigma Tau does not stock or sell any graduation regalia. However, we do have arrangements with two firms that will provide regalia and some other items for Phi Sigma Tau members. Please note that Phi Sigma Tau does not profit from any transactions between members and the companies; the transactions are simply between the companies and the members or advisors. In each case, however, pooling any orders will save on shipping and handling charges.

ERFFMEYER & SON CO., INC (same as ESCO). This company has served our students for years. You can go to our special site at ESCO by going to

**<https://phisigmatau.escoinc.com>**

where you can see items and order.

Oak Hall Industries will provide honor cords for Phi Sigma Tau. If you call them, be sure to let them know you are ordering for Phi Sigma Tau and that the colors are purple and white. You will need to call. The number is 800-456-7623. Oak Hall's cords have been cheaper than Erffmeyer's, but I have no way to compare quality.
